The North Fraser Therapeutic Riding Association (NFTRA) is a not for profit organization enriching the lives of children and adults who experience physical, mental, emotional or social challenges by providing safe and professional therapeutic equine programming. We are a welcoming, inclusive therapeutic riding association that connects our community with horses, builds riders and supports individuals and groups with equine therapy.

The NFTRA has been providing therapeutic riding in Maple Ridge for over 40 years servicing communities north of the Fraser River from West Vancouver to Mission. We offer year round therapeutic riding opportunities. At the heart of our program are over 100 volunteers who make it possible to run our programs.

For individuals with a disability, para-equestrian sports and programs can represent an opportunity to enjoy freedom through riding as well as an opportunity to compete.

About Para-Dressage & Dressage

Dressage is the only equestrian discipline competed at the Paralympic Games and one of three Olympic equestrian sports.

To compete, dressage horses and riders perform a series of movements at the walk, trot and canter in a pre-set pattern.

It is a gender neutral sport - men and women compete against each other equally.

For more information, please visit equestrian.ca

The NFTRA Open Benefit Dressage Show provides an opportunity for able-bodied and para-riders to compete together - fostering a greater understanding about the relationship between horse and rider.

An event like this doesn't happen without many helping hands. This is our largest annual fundraiser. All proceeds from this event are put directly back into our programming - helping our riders access the services they need.

2023 OBS Sponsorship Opportunities

DIAMOND SPONSOR

We have one title sponsor position available for a contribution of \$3,000 or more.

GOLD SPONSORS

For contributions over \$2,500, we have a number of sponsorship opportunities available - including ribbons and judge fees.

SILVER SPONSORS

Our fun, inclusive "Welcome Event" and our Saturday Special "Happy Hour" are available for sponsorship contributions over \$1,000.

BRONZE SPONSORS

Recognizing our achievements and how far we've come is an important element in this show - Class Prize sponsorships begin at \$500.

OBS ENTHUSIASTS

Of course, the event wouldn't be possible without our OBS Volunteers and NFTRA riders - the Obstacle Course and NFTRA Parade are perfect for your OBS and NFTRA enthusiast.

The NFTRA sincerely appreciates all the community support that we continue to receive through our sponsorship programs and fundraising initiatives. We are always looking for donations to help with horse care and to cover the costs of our facility. Other sponsorship opportunities can be customized to meet your needs and all donations are gratefully received.

As a sponsor your name will be listed in the event program and there will be signage at the event acknowledging your support. You will also be acknowledged on social media, and will receive a charitable tax receipt for the fair market value of the donation.

Please consider becoming a monthly donor or member of the NFTRA to show your support for this valuable therapeutic service in our community.

Please visit www.nftra.ca for more information on how to donate.
